Dear Mr. Garrison:

I have
known Dr. Frederick A.
Palmer of Aikme O.C.
— now temporarily residing
in New York, — well for the
last five years. He
is a man of great moral
courage, as well as phys-
ical. He is devoted to
the doctrine of equal
rights for all men, of

the reign of law, justice and good gov-
ernment at the South.

I am, my dear Mr. Garrison,

Yours very sincerely

D. W. Chandler

Much power as a public
speaker, of perfect personal
honesty so far as I have
ever known or heard, and
of course thoroughly fa-
miliar with the facts of
recent campaigns in the
South.

I am sure he
could speak with great
effect upon that topic
and I know he would
rejoice to do anything
in his power to hasten
